The Dept will please enquire into the matter fully & let me have a report about it early

17 As regards the order itself before it is issued it is desirable to find out if the Shekdar candidate on whose application the question was taken up has already paid up their fees for 1910-11 or if their fees are still due It may also be found out if fees have been recovered from the Shekdar Candidate in the following year The D/Sec will please obtain the above information

This file had got mixed up with a no of old boards in the Secy's room and was found out by the peon when he was packing and some old boards I never saw the file before and I am unable to say how it got mixed up when the Balasundaram's old boards were cleared off The Branch concerned had reminded me of the file & it would please pass me orders whether the file is to be kept in the Branch for it How and when it was thrown among the old boards I am unable to guess & it must have been carelessly put there by one of the peons

Respected Sir

With reference to our application dated 5th September last extending the concession in the matter of exempting the Sherdar Students from paying School fees, we beg leave to state that we are informed that our prayer did not meet with favourable Considerations We are put to much hardship on account of our twofold loss — one by losing our pay Secondly by meeting with the expenditure to maintain ourselves here. We were full of hopes that we would be granted some Stipend during our training Similar to officials of other departments such as those of Police, Excise and Education departments who are allowed Merit pay during his period of their training

We are not fortunate enough in this respect & beg to state further that this was an idea of being exempted from paying School fees at least that we joined the School It will be a great inconvenience for us to pay the School fees as it has accumulated for the last 6 months

We most humbly beg therefore that we may be very kindly excused from paying the School fees for which we will ever be grateful

We beg to remain,
Respected Sirs,

Mysore, 23rd August 1912,

Dear Sir,

Your D P No 63 dated 22nd August 1912 With regard to para

(1) there were eight students in the Sheikdari Class Of these one was a private student, the others were all in the service of Government. Fees were regularly collected from the private student None of the others paid fees till they left the school One of them, Sripataiya wanted his certificate long after he left the school and he was informed that he should clear up his arrears to get the certificate He therefore sent the arrears of all his fees in August 1911 Except these instances no others paid their fees

(2) there were 12 Sheikdar Students at the beginning of the year Seven of these subsequently

joined Arcot Narainswamy Mudliar's School in Bangalore and one was appointed as Deputy Gumasta None of these paid their fees There were four left in the Engineering School

A V Narsim Iya ---------- Rs 4 - 0 - 0

U Bhima Rao ---------- Rs 7 - 0 - 0

C Narain Rao ---------- Rs 6 - 0 - 0

M Mahomed Mallic -------- Rs 8 - 0 - 0

They paid fees except the amounts noted against their names which are still due from them

(3) There are eight students in the school undergoing training for Sheikdari Two of them are private students and have been paying their fees Of the other six, five are employees in the Revenue Department and have not been paying their fees The sixth is one Subbaraya Jois, also a Government employee but of the Education Department He has been paying his fees The idea is that the Revenue Subordinates undergo the training as a necessity whereas the others (private candidates and subordinates of other departments) study for Sheikdary of their own accord and can not consider it a burden to pay their fees

I may inform you in this connection that the Budget

Estimates (Printed) for 1911-12 (forecast) provides for eight Sheikdars as under the sub-head of "not paying fees" In the Estimate (forecast) for 1912-13 the item "Sheikdar Students" has been omitted altogether (vide printed budget) in estimating the collections

Yours sincerely,
